### DAY OF SERVICES...

*The regular duties of a Wedding Coordinator includes managing the vendors, managing the timeline, and setup/breakdown of the wedding, but every couple has different needs for their wedding and this is why we specifically get praised! In the past this has included us hopping behind the taco cart when the food line got too long, picking up/dropping off personal items from houses/venues when cars are already filled, running as a bar back during cocktail hour, Officiating the actual wedding, MCing when custom playlists were chosen over hiring DJs, etc. We do whatever it takes!*

### PRICE

*Prices start at \$500. We encourage you to reach out to other coordinators to compare our affordable rates. Depending on the scope of the wedding we may need to bring on an assistant which would be an additional \$200.*

## NEED TIMELINE HELP?

*There are a lot of moving parts to a timeline and working with all the vendors to create a cohesive timeline can be stressful. For \$100 we will create an extremely detailed timeline, that will also help all the vendors ensure they aren't forgetting any steps for their planning/personal timeline.*

## LET'S BOOK!

*To reserve our services we require a \$100 non-refundable retainer that will go towards the total due. The remaining balance will be due the day of, upon arrival.*
