OTHER ODDS AND ENDS

LOCATION, LOCATION, LOCATION!

Beaches and Parks tend to get busy on the weekend. The location will need to have parking nearby and accessible with a rolling cart. Please arrive with enough time to find parking. Once the picnic goes past 2hrs from the start time additional charges will incur. Ask us for recommendations on locations

Locations over 10 miles outside of Los Angeles County may incur additional charges.

Exact setup locations will be texted to you about 1hr before start time. This allows us to pick the best spot away from people and with the best scenery. The setup location will still be in the general area as discussed. With unknown circumstances like large events or film shoots, sometimes the exact location requested is unavailable.

FOOD and BEVERAGES!

We often get asked if we provide food. We can absolutely provide food, but please keep in mind it will be out for a while since we have to arrive at least an hour early for setup. For this reason we suggest something that can be served cold like Sandwiches, Sushi, Mediterranean, etc. If you are looking for a different type of cuisine I would suggest a delivery app like Postmates. Whatever you need, we can work it out!

We can provide beverages as well for an add-on. Please keep in mind any alcohol drank on public spaces can incur tickets! This has never happened to any past clients, but if you do receive a ticket it will be your ticket to pay.
