Officiant Services

BEGINNING OF FOREVER

My favorite part of this business is officiating! Writing up a personalized ceremony script that could only be meant for the two of you! I love learning all the ways people explain their love for each other, and what forever means to them.

"I DO"

To get to know you I have a list of questions like "Tell me one of your inside jokes" and "What was your favorite vacation". Sweet with spots humor is my ideal writing style. I usually stray away from traditional styles, but can absolutely tie some in to make your parents happy, haha!

OTHER ODDS AND ENDS

Aesthetic

We want to make sure you love your ceremony wedding photos, so we work with you to make sure our outfits are on point! Choose colors and style of our outfits if you wish!

Rehearsal

Don't want to pay for a rehearsal run through? No problem! We will provide some rehearsal tips free of charge for you to run through with your wedding party.

Live Acoustic Guitar

We often have clients add on a live guitarist for their ceremony (my husband!) He can play any song requested from mood music for guests upon arrival to a fun exit song to walk down the aisle to after the "I Dos". An extra special touch is having him play lightly in the background during the script for background noise. He's played everything from Disney songs, Electric Pop songs, and even classical Chinese music for past clients!

Ceremony Timeline

- We arrive 1hr prior to ceremony start time.*
- Ceremony is generally 25 min including the time it takes for everyone to walk down the aisle*
- After the ceremony ends when you get a few minutes to yourselves, we will come to get the paperwork signed before leaving*
